October 2018

The Golden Modes Awards Ceremony

The Golden Modes Awards Ceremony is our opportunity to recognize Triangle organizations who integrate commute options into their company culture and appreciate the value it brings to their triple bottom line. We also highlight those extraordinary commuters that not only love their sustainable commute but also promote sustainable transportation options to their family, friends, colleagues and neighbors.

I hope you will join us for this awards breakfast as we highlight these change makers. More information is below, and you can RSVP at

<https://gotriangle.org/rsvp>

State Fair Shuttle Service

Going to the [NC State Fair](#)? Take the [GoRaleigh](#) N.C. State Fair Park and Ride Shuttles!

Enjoy the State Fair without trying to find parking or battle traffic and get dropped off right at Gate 1! [GoRaleigh](#) provides daily service to the State Fair Oct. 11 through Oct. 21. The

shuttles operate from three locations. All passengers are dropped off at Gate 1 of the State Fairgrounds. View locations below for hours of operation.

PLUS - The Hillsborough Street route returns! See the map and schedule <https://goraleigh.org/sites/default/files/hillsboroughstfairroutemapschedule2018portrait.pdf>

GoTriangle Vanpools Transitions to Enterprise Rideshare

The new vanpool provider in the Triangle is Enterprise Rideshare. A vanpool is like a carpool but the vehicle, gas, insurance, maintenance etc. is all covered by a low monthly fee. Enterprise Rideshare is transitioning current GoTriangle vanpoolers into new vehicles. Participants will be notified of the changes by Oct. 5.

For vanpoolers, the new program will offer the following benefits:

- Discounts on Enterprise car rentals
- Ability to pay and report ridership online.
- Vanpool drivers will receive 200 monthly personal miles
- New or low-mileage vehicles, and more frequent vehicle replacement.

- Additionally, the free Emergency Ride Home service for vanpoolers will continue as before, providing free taxi service to those who experience a personal illness, family emergency, unscheduled overtime or early departure of a vanpool driver.

The average vanpooler saves up to 75 percent on commuting costs compared to driving a personal vehicle. Each vanpool group sets its own route and times. If you have any questions, please feel free to reach out to Vanessa Battle at vbattle@gotriangle.org or 919-485-7462.
